

2019 Cross-Country Maintenance Schedule

Updated May 11, 2019

The Cross-Country schedule is dependent upon weather, and while we aim to allow access earlier in the year as well as provide more frequent maintenance, the schedule listed below is to provide our members with a regular calendar of what to expect in terms of availability and basic maintenance.

Reminder that when The Horse Park schedules Cross-Country footing maintenance, the course will still be **OPEN during that time!**

Disclaimer: The Horse Park strives to meet all published timelines however occasionally due to unforeseen circumstances, we miss these published dates. We will do our best to keep you informed of any changes.

Basic Maintenance / Event Schedule:
