

### EHV-1/EHM Declaration for Members

Given the severity of the 2022 early spring outbreak of EHV-1/EHM in California, The Horse Park at Woodside is instituting temporary measures to promote equine health and safety at the Park. We thank you for your cooperation in carefully reading and accurately representing your information on this form.

I hereby declare that every horse that I bring into the Horse Park meets the following criteria:

- \_\_\_\_\_ • If the horse was at a facility with a known outbreak of EHV-1/EHM, it has been at least **14 days** since the end of the State Quarantine or the last horse being cleared with double negative tests.
- \_\_\_\_\_ • If the horse was at a horse show where there was an outbreak, the USEF protocol was strictly followed and completed before the horse can be brought to the Horse Park.
- \_\_\_\_\_ • The horse is healthy, has a normal temperature, and does not have any infectious disease.
