

The Horse Park at Woodside

## WELCOME TO OUR VIRTUAL DONOR WALL

The Horse Park at Woodside is especially fortunate to have donors who have supported it through its more than 20 years of existence. This Virtual Donor Wall lists our donors' giving from January 2003 to the present, and is our way of saying thank you for such loyal support and for helping to realize the vision of a top quality facility and open space for use by equestrians of all ages and abilities.

Please note that a real donor wall, presenting donors at the Gold Medal level and up, will be installed and displayed in a prominent place at the Horse Park upon conclusion of our capital campaign to realize the vision.
