

As mandates for COVID-19 continue to evolve for our state and county, we are working to implement appropriate, compliant rules to allow our members the best possible use of the Park. Please read these carefully and contact the Main Office with questions.

Please note this is not the normal Horse Park operation. Read carefully the policies and procedures below for use of the cross-country.

1. The cross-country is open for controlled schooling. It will remain open until further notice.
2. In order to comply with federal, state and county regulations, no more than 20 people at one time will be allowed on the North end of the cross-country course, and no more than 20 people at one time will be allowed on the South end of the cross-country course. Many Intro to Preliminary fences are open and available for jumping. Intermediate and advanced fences are closed. Do not go on ungroomed areas. Use caution and good judgement.
3. Social distancing of 6 feet or more between people on the ground and/or people mounted is required at all times. Face masks are required except when mounted. Riders must carry their face masks on their person while riding.
4. In order to comply with the restriction of no more than 20 people gathering, there will be a schedule for both North cross-country and South cross-country jumping. Twenty (20) people are allowed per timeslot per section of cross-country. That means 20 total, whether mounted or unmounted, including spectators. As example, if you have 4 riders and 2 people on the ground (6 feet apart) accompanying the group, your group will need 6 open slots. If you have 2 riders with one trainer, your group will need 3 open slots.
5. The allocated schedule is in effect. Timeslots per section (North or South) will be for 1-hour increments 7 days a week. Timeslots will be as follows: 8:00 AM-9:00 AM; 9:00 AM-10:00 AM; 10:00 AM-11:00 AM; 11:00 AM-12:00 PM; 12:00 PM - 1:00 PM; 1:00 PM - 2:00 PM; 2:00 PM - 3:00 PM; 3:00 PM - 4:00 PM; 4:00 PM - 5:00 PM. Your trainer can sign up for a time slot by emailing the following information to schedule@horsepark.org. The trainer must have a membership, have signed the 2020 Trainer Agreement, and provided proof of insurance. Please have them contact the office or email diane@horsepark.org for the forms. The trainer agrees that each rider and horse combination can safely jump on the cross-country course and are the appropriate level for the combination.

6. **Timeslots will be allocated on a first-come-first serve basis, i.e., first-email-first serve.**

The trainer should submit one email with full headcount. All emails must contain the following for each person who will be coming on the cross-country course in the group of 20 or less:

First & Last Name
Spectator Name(s)
Mobile Phone
Horse Name(s) you will be riding
Full Use or Day Membership?
Trainer/Instructor Name
Day you want to come and ride?
North Section, South Section, or Both Sections
Top 3 time slot preferences

In order to use the Horse Park, you must be a member. If you are not a member, please call 650-851-2140 to sign up for membership. If you are not sure you are a member, please call 650-851-2140 to check. If you are a Day Use member, you must pay your day fees prior to confirmation of scheduling.

7. Timeslots are strict. You may start jumping at your established time. You may not exceed your allotted 1 hour. You may warm up on the Exercise Track or walk the Perimeter Trail before or after your timeslot as long as you practice social distancing at all times.
8. Please comply with all standard Horse Park Rules and Regulations, (see the Website: http://www.horsepark.org/documents/2020HPRules_000.pdf) and signage posted on the property. Riders, when schooling on course, **MUST** wear a safety helmet, protective vest, and approved medical armband.
9. Please do your part to ensure that we all comply with government mandates for public safety and help minimize the spread of COVID-19.

We hope you have a great time on cross-country!
