

VSV Facility Entry Requirements, as of 7/30/23:

We are currently monitoring the situation with VSV in California very closely.

Arrivals will ONLY be allowed:

Thursday 1:00 PM-7:00 PM

Friday 8:00- 5:00 PM

If you cannot make this arrival window, please contact info@grayareaevents.com we will do our best to accommodate you but there may be a fee involved.

The following will be required to be on grounds:

- All CA horses must have a Certificate of Veterinary Inspection issued within 5 days prior to arrival of the Facility that includes a VS and EHV Statement.
- All horses will have to be inspected by one of the event's vets upon arrival.
- All horses will be required to show temperature logs twice daily for 3 days prior to arrival and daily while on site. AM Temps need to be done by 9 am, and PM temps done by 6 pm. If temperatures are not posted on the stall a warning card will be issued, second offense you will be asked to leave the property without a refund.
- The person responsible for the horse will examine the horse's mouth daily for lesions, veterinarian or management will be checking at random after initial inspection upon arrival. Any lesions or temperatures of 101.5 degrees or higher need to be reported to management immediately.
