Summer at Woodside

The summer weather is cooperating for a great weekend! We are so pleased to welcome you to the second of three 2023 Woodside Horse Trials. This has only been possible with an enormous amount of hard work and broad-based support from our Eventing community. Thank you! More than just a gathering of people and their equine partners, which is not unusual in Woodside, the Woodside Horse Trials draws competitors from all over the West Coast. Some of the region's top Eventing riders and horses contend for honors while enjoying the breathtaking views of the San Francisco Bay Area. We appreciate and thank you for choosing Woodside as part of your competition calendar.

The Horse Park has a mission to promote equine education across all major disciplines, to be a center for world-class competitions, and to be an excellent steward of this very special open-space land. Over the past year, the Horse Park has undergone significant changes. We continue to work hard to upgrade all aspects of our facility and to make your experience here a special one.

The Board of Governors continues to enact significant investments in major enhancements. The improvements listed below are supported by you, our generous donors, which enable us to be a premier equestrian facility.

- Exciting new Cross-country courses have been designed by Derek Di Grazia and Bert Wood.
- Our phenomenal jump-building crew: Bert Wood, David Cathcart, Glenn Wood, Owen Cornell, Darrell Brown, Madeline Isaacks, and Dakota Hamilton.
- Extraordinary dedication from numerous Area VI training barns and generous individuals have enabled a beautiful 4* stadium course of jumps to be custom designed and built. Additional generous gifts enabled the acquisition of new dressage courts.
- Bright new flowers and flags will adorn our new cross-country courses.
- Renovated and enhanced landscaping at our entrance and other focal points throughout the Park enhance our natural beauty.
- Major investments in new show stabling continue to upgrade our inventory of large, safe, clean stalls complete with mats. With your help, the highest quality arena and cross-country footing will remain an ongoing priority for the Horse Park.
- We continue our focus on land management, which supports the beauty of the entire facility.
- We are so pleased and grateful to our Organizer Christina Gray and her great crew who work tirelessly to deliver an outstanding show experience.

We are indebted to our Exhibitors, Members and the surrounding community who support The Horse Park at Woodside. To all the athletes competing this weekend, we wish you the very best.

*Have a great ride!
